

Rohaan Patel

08329439659 | rohaanpatel33@gmail.com | Mumbai, Maharashtra

Summary

Innovative Software Developer with expertise in **Revit API, C#, WinForms, WPF, XAML, SQL, Java**. Passionate about automation, cloud computing, and database management. Adept at troubleshooting, optimizing performance, and developing scalable software solutions. Seeking opportunities to leverage skills in high-impact projects.

Experience

nCircle Tech | Remote

Software Developer | 12/2025 - Present

- Implemented System Flip and Fitting Flip for MEP elements (ITM/RFA), preserving connector connectivity
- Led unit testing efforts for multiple core plugins, creating test cases and identifying critical issues to improve stability
- Enhanced existing in-development plugins by adding new capabilities and refining existing logic
- Actively contributed to code quality, debugging, and aligning implementations with team standards

Kpm Engineering | Pune

Software Developer | 10/2023 - 12/2025

- Developed and deployed advanced **automation plugins** using **Revit API, C#, .Net, WinForms, WPF, and XAML**, significantly enhancing BIM workflows.
- Designed and implemented **SQL database solutions** for the **License Manager**, improving software access control and security.
- Leveraged **AWS RDS (Relational Database Service)** for cloud-based **data storage**, ensuring high availability and scalability.
- Developed and successfully deployed an **MSI package** for seamless software distribution across multiple systems.
- Diagnosed and resolved **complex coding bugs**, significantly improving software stability and performance.
- Troubleshoot and optimized existing **Revit plugins**, resolving performance bottlenecks and improving efficiency.
- Provided **solutions as per client challenges** through custom-built **Revit plugins**, reducing manual errors and increasing productivity.

Skills

Revit API, C#, .NET, SQL, WPF, WinForms, XAML, HTML, CSS, Java

Education

Pillai Hoc College of Engineering & Technology | Rasayani

BE - Computer Engineering | 08/2021

6.1 CGPA

Huda Junior College of Arts & Science | Bhiwandi

HSC | 02/2016

60%

Holy Mary Convent High School | Bhiwandi

SSC | 03/2014
